Mineola Rainers Square Dance Club will be hosting a good old fashion Barn Dance. We will be having an introduction to Modern Western Square Dance from 6:30 til 8:30, then we invite you to hang around and enjoy the music, fun, and fellowship as we dance the evening away to our live caller, Tim Tyl from White Oak, TX.

So what happens then? Well, we will be starting a Learn To Dance program on Monday evenings for those of you who like to polish up on this fun activity.

We offer a fun, no long term obligation environment to join our group of dancers. This introduction is free and if you decide this is something you want to be involved with then a small \$5.00 donation is requested each week thereafter.

WHY: FUN, HEALTHY, FELLOWSHIP,
THE LIST IS JUST TOO LONG

WHO: YOU !!!!!
